CRUISE CALENDAR 2009

excellence in small ships

These ships have the ability to dock in ports inaccessible to larger vessels. The cruises are ideal for cultural experiences, visiting significant sites and lesser known gems. Some cruise companies provide onboard lecturers and the ambience is similar to a private club.

Our Cruise Masters have personally sailed aboard many a ship and can tailor an itinerary to personally suit your interests and requirements.

CHILE & EASTER ISLAND experience

CHILE: The Atacama Desert, one of the driest places on earth, Patagonia with soaring peaks and awesome glaciers and the mysteries of the "Moai" of Easter Island. These are the regions in which you will discover "Explora Lodges".

My journey to Explora in the Atacama Desert in the North of Chile and Explora en Rapa Nui, Easter Island will give you an insight into these fascinating destinations. Accessed by flights from Sydney to Santiago on award winning LAN Chile.

The lodges of Explora en Atacama, Patagonia and Easter Island are the base from which guests explore the surrounding region by guided half day treks, cycling, horse riding (or absolutely nothing at all) and return to comfortable accommodation, great food and local Chilean wines.

Easter Island is an excellent stopover. Newly opened in December 2007, it offers the most comfortable base to get up close and personal with the mysterious statues of a forgotten people.

Explora en Atacama has just celebrated its 10th anniversary with a complete refurbishment of their public areas and the addition of four Suites. Viewing the stars from the observatory at night is a must see.

Explora en Patagonia has just been voted the number one overseas leisure hotel in the whole of the Americas and Caribbean by readers of Condé Nast.

Explora Atacama from USD\$1,773.00 per person twin share for three nights. Explora en Rapa Nui from USD\$2,730.00 per person twin share. Explora en Patagonia from USD\$2,476.00 per person twin share for 4 nights. All rates inclusive of all meals, tours and activities. Prices are land only and subject to change.

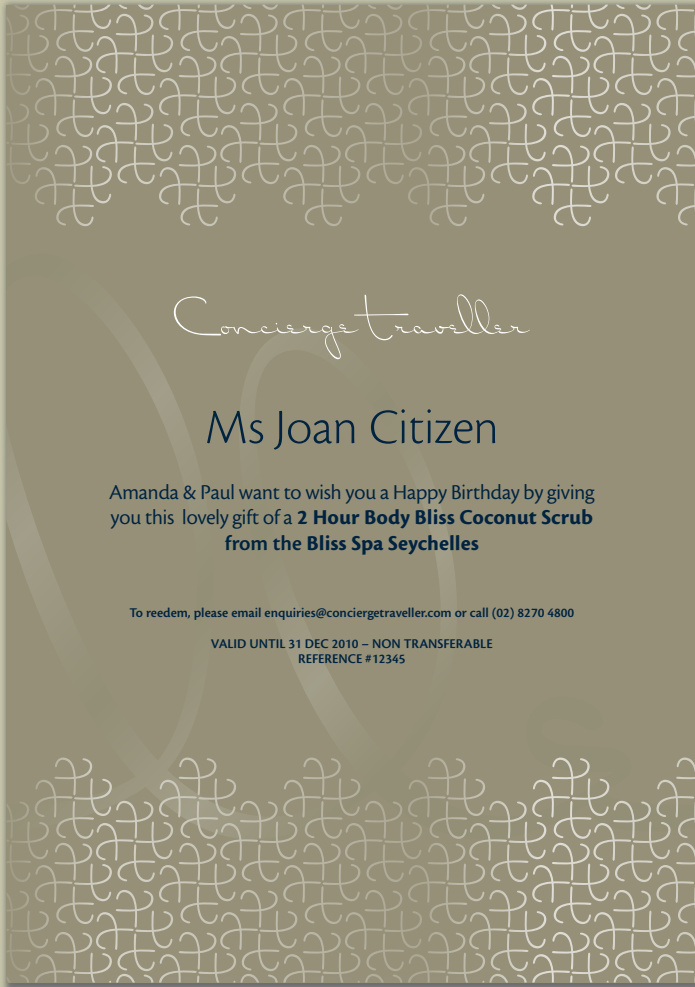

Our Latin American experts tailor itineraries to suit your interests and special requirements.
